 2) ;aldksfja  
 3) a;l\$dkfj  
 4) dkfjie /dkfj;iefj;l  
 5) alkj;d;ie;m;dkf

Margins are ignored.

Problems are squeezed together with no space between them.

6)a;l\$dkfja 7)a;l\$ksf 8)kdfjkl

Problems are NEXT to each other instead of AFTER each other.

9) aldshkjocxvmlao 10) kldmvm:9en.,c f;oiie, 11)sldjff

Tiny writing.

Confusing order.

12) mckei kd 13) sdckdiiemc  
 14) mdccciehf vkeivme d;i  
 15) vmcmdieckd

Multiple columns, instead of just one.

Scribbling in the margin

## What your paper SHOULD look like

Top and left margins are respected.

Some space has been left between the problems. Writing is large enough to be clear. Each question comes AFTER the previous one, not next to it, and work runs down the page in a single column. Answers are clearly marked at the end of each question.

1) skdfhi kdhie 2.5

2) shlic, dmhit mdhi no sol'n

Long problems "wrap" before running into the side margin.

7) skhie kshci; elkhsid ;ckhie tskhic 3 sq. in.

8) 2ws slkhci ek; ieow skhi;l skehis ;c kdhie slie khci;oiie ;lskehicl lsehi y = 5x - 4

9) whid ;lkshie lskhdi wi; lskdhi ekhsi vlkh shil chisel dhfi leehsi whi sldhil ekhiss ckhi (continued on next page)

No scratch-outs, scribbling, or other messiness.

Writing stops before running off the bottom of the page.
